

K.C.A. Newsletter

Manager's Minute

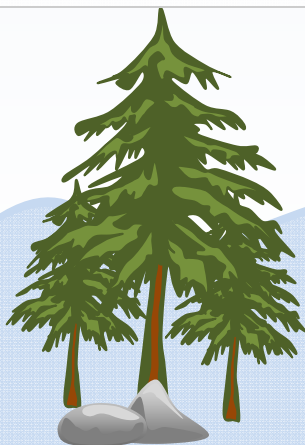

Greetings from the hill top,

As we approach another camp season we also are re-viving our KCA newsletter. Our goal is to keep everyone informed with the goings on at KCA and in doing so we are asking for your help. If you wish to share your heart or concerns, ideas or whatever we encourage you to do so. There is a wealth of information that needs to be shared by the KCA family and we hope and pray that this medium will be used by all. We look forward to sharing with you and we covet your prayers as we continually strive to keep you informed.

In His Service,
Arthur Hunt

Dean's Directions

When you hear the phrase, "**Mission Field**" do images of slashing your way through a dense jungle while dodging poison darts and wild animals come to mind? Well, that might apply in a limited way. To be fair, there are missionaries who experience such things, but most missionaries are located in large centers of population (translation: big cities). You might be surprised to learn that you live much closer to a mission field than you might think.

In fact, you **live** in a mission field. A really big one. It's called the United States of America. It is no shock to most of you that there are a lot of people you meet every-day—at work, school and other places—who have know idea who Jesus is. "A large group of people who don't know Jesus." I can't think of a better definition of mission field than that.

So why am I writing about this? I want to encourage all our high school students to come to senior high week of camp this summer at KCA. The dates are June 20-25. **Sonny Childs**, founder and director of **Missionaries for American Program** will be our special guest at KCA Sr. High Week. He is bringing some campers with him as well as some faculty members who are very experienced in training teenagers to become Missionaries to America. This is a wonderful opportunity for you to experience something that will help you in your walk of faith for the rest of your life, and to have the time of your life at the same time. I hope you plan to be there.

Day Camp

Courtney May will be our Dean for this years Day Camp. The theme for that day will be F.R.O.G.

Courtney has much experience both as a camper and a counselor at KCA. "KCA was like my second home during the summer. I met a lot of friends from my same county and from surrounding counties. I met my best friend at camp who was from Garrard Co. and through her, I met my husband. I love the atmosphere of camp. You get lost in the world up there and forget about what is happening in the real world." Commented Mrs. May.

Mark your calendars for June 26 and come enjoy Day Camp at KCA.

What is a Christian Service Camp?

Christian Service Camp is a place where young people come together for a week with God. Our purpose is to provide a Christian atmosphere in which the camper feels the presence of God in every activity. Although the camp is sponsored by area Christian Churches and Churches of Christ, any young person, regardless of church affiliation, is invited to attend. Rules for acceptance and participation in the camp program are the same for everyone with regard to race, color, or national origin.

Its that time of year again. Its time to pick up trash. Lincoln County will pay KCA \$100 per mile to pick up trash on the last week of April and the First week of May. KCA has been given 10 miles to clean-up and we need your help!

We are looking for youth groups and individuals to help. Whether you have an hour or an afternoon we would appreciate your help.
